

# CHRISTMAS STOCKING SCAVENGER HUNT

Your stocking is hidden, somewhere with care.  
Where the ornaments hang, your next clue is there.

Closer you are getting, to a stuffed stocking.  
Find your next clue, where you often hear knocking.

No one is here, except me, your next clue.  
Now go where cold milk is, you know what to do.

The milk is cold but you are warming up.  
Yet another clue is where you put a dirty cup.

Yay! This is it, all the clues have been seen.  
Find your stocking where you get clean.
