

What really puts you in the mood for romance?

What would you like to experience that you haven't?

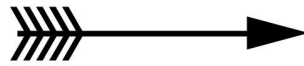

What song puts you in the romantic mood?

What is your favorite dating memory?

What is one new thing you'd like to try in the bedroom?

What is the first thing you noticed about me?

Make up a romantic poem off the top of your head.

What is your favorite romantic movie?

What is your favorite outfit that I wear?

What would your ideal date night be?

What do you find sexier now, than when we first met?

What foods would you like to play around with?
