

ELF ON THE SHELF ARRIVAL SCAVENGER HUNT

It's been so long since I last saw you. I'm excited to be back!

I made a game of my return so you can follow my track!

Each clue will lead you closer to me.

The next one is by a brightly lit tree!

Holly Jolly you found it! But I'm no longer here.

I was thirsty from my long journey and had to fill a cup with
cheer!

Hot Cocoa is yummy in my tummy and makes me want to play!

I could hang out with dolls and toys all day!

We had a lot of fun but I had to wash up and couldn't stay long.

Do I get in the washer or dryer first? I hope I don't pick wrong!

Whew that was close but I chose the right one!

Then I put myself away like towels when they are done.

All this running made me tired. This was a great place to rest!

My energy came back so I jumped in here in case you need
help on a test!

I'm teasing. I know elves can't sneak off to school!

But we can sneak into this frozen place where it's nice and
cool.

It's freezing here and reminded me of home at the North Pole!

But now I'm ready to see you! I'm waiting with something you
use in your cereal bowl!
