Elf on the Shelf
Scavenger Hunt

**Come and find me! Just follow the clues!
The first place to check is with the things you put on before shoes.**

**Your socks are so comfy. I wanted to sleep.
But my stomach was growling so I got something to eat.**

**That was yummy, but it was too cold to stay.
Where wet clothes get dry is a warmer place to lay.**

**I was here getting warm - you just missed me!
Off to freshen my breath...where do you think I could be??**

**I'm minty fresh and can't wait to see you!
While I'm waiting I'll play a game or two.**
