

ELF ON THE SHELF

scavenger hunt for teens

Guess who's back? Back again. Elf is back. Tell your friends!
Come find me where your morning routine begins!

I'm fancy like Applebee's on a date night.
If I was an Oreo Shake, hanging out here would be right.

Yo bruh, this Christmas is going to be lit.
But first, I need a drippin' outfit!

When it comes to the holidays, I can't be low key.
If I could I would live in a Christmas tree.

You're getting closer but I'm a savage at hiding!
Where wet clothes get warm and cozy I heard there was a
sighting.

A little fluffing up and my lewk is on fleek.
Now a snacky snack is what I seek.

I'm your number one STAN during the holiday.
Hide and Seek is a game I like to play.
You've almost found me - right is way.
I found another game we can play!
